## 2024 RESPITE OPPORTUNITIES AT CAMP ORCHARD HILL

### ▣ BEST WEEK EVER INCLUSIVE SUMMER DAY CAMP

*June 10-Aug 16, 2024 | Completed Kindergarten & up*

Camp Orchard Hill serves children with special needs in an inclusive Day Camp setting. Our program focuses on building skills and gaining confidence through outdoor experience, with opportunities to participate in all activities alongside typically developing peers.

Campers must be able to navigate uneven terrain and be potty trained, or provide a caregiver to assist with the task. If a camper is eligible for BHT services at school, they must also have BHT services for the full time they are at camp. Campers with 1:1 services remain eligible for *Best Week Ever Summer Camp* while they are eligible for school services - generally until age 21.

### Funding Options for Summer Camp:

- Campers with special needs can apply for our Special Needs Grant that will cover the first 10 days of Best Week Ever Summer Camp! Apply through our website at [www.camporchardhill.com/faq/](http://www.camporchardhill.com/faq/)
- *New for 2024!* Camp Orchard Hill is now an approved Respite Camp facility for families with a waiver through Luzerne-Wyoming Counties MHDS. Contact your supports coordinator to discuss details!

### ▣ RESPITE SATURDAYS
