Special Event

Geisinger

SPARK Day at Crayola Experience on Sunday, March 8, 2020

Join Geisinger's Autism & Developmental Medicine Institute (ADMI) in Easton, PA for a day of fun while helping us SPARK a movement for autism research! You can join families across the country to be a part of the largest-ever autism study in the United States.

This study is open to any individual with a diagnosis of autism and their family. To participate in SPARK, parents complete an online registration and then all family members provide a saliva sample. For participating, families will receive a gift card up to $50.

With SPARK Day at Crayola Experience, families will have the opportunity to register for SPARK and provide their saliva samples, while enjoying the activities. This is a free event for individuals with autism and their families, with all pre-registered individuals getting an all-access pass to the 25 Crayola attractions. Both parents are highly encouraged to attend, and siblings may attend as well.

When: Sunday, March 8, 2020

Time: 10:30am – 3:00pm

Families will be scheduled for a 30-minute timeslot to complete their SPARK registration.

Where: Crayola Experience

30 Centre Square, Easton, PA 18042

Where: FREE - RSVP is required by MONDAY, MARCH 2

The event is FREE, but an RSVP is required. To RSVP, please fill out the form at www.tinyurl.com/sparkcrayola or contact Kate Dent at kadent1@geisinger.edu or 570-522-9402

Crayola Experience is where the magic of Crayola comes to life! With 65,000 square feet of attractions, Crayola Experience is Pennsylvania's most colorful family destination for interactive, creative play! Families typically spend 3-4 hours exploring our 27 hands-on attractions.
