

SPONSORS

& Support

Support, sponsors, partnerships, donations, contributions, etc. are all words that mean the world to non-profits and the community. Without that piece, the goals and programs in our area would not be possible. PAU is hoping to help get things off the ground by doing fundraisers, applying for grants, and selling items at the 'PAU'sitively Unique Gift Ship at the new location and online.

In addition to the work being done, we hope our community would like to be a part of our organization through sponsorships and the many different ways PAU has available. Please fill out the form attached and help PAU not only get out in the community with a splash, but cannonball into the deep end!

	<p>New Program Sponsor— \$500 - New programs require development and time. When asked which programs are most important, it's difficult when each program is dedicated to different age groups. They're all needed, as soon as possible. Programs will come to fruition as funding comes in that is dedicated towards each program by either grants, donations, or sponsors.</p>		<p>Throughout the year, PAU will be hosting different fundraising events. The larger events will have their own sponsor levels and are event specific. Coming up in June are the Summer Kickoff at River Grille (6/10) and the Auto Show and Movie Night at The Garden Drive-In (6/25). Smaller fundraisers will include trivia nights, cornhole, purse bingo, etc. If you would be interested in hosting a fundraiser, please email PAU to set one up.</p>
