

Are you a parent of a young child?

Is it hard to find affordable childcare that works for your family?

PARENT DISCUSSION GROUP

We want to hear from parents about finding childcare and how affordable it is. Discussion groups will talk about what it is like to find childcare that supports your child's development and meets your needs.

- You will get a \$50 gift card after the group.
- The discussion will last about an hour and a half.
- We will hold some groups in person and some groups over Zoom.
- We will start to hold groups in September.

These groups will be held by [PHMC's Research & Evaluation Group](#). This is part of a project to better help families like yours access the childcare they need! The project is by [Agency for Community EmPOWERment](#) of Northeast Pennsylvania, formerly Scranton-Lackawanna Human Development Agency, Inc. (SLHDA).
