

For the adults who run them and for the agencies that sponsor them, Sibshops are evidence of their loving concern for the family member who will have the longest-lasting relationship with a person who has a disability. However, for the kids who attend them, Sibshops are lively, pedal-to-the-metal events where they will:

- **Meet** other sibs (usually for the first time);
- **Have** fun;
- **Talk** about the good and not-so-good parts of having a sib with special needs with others who “get it”;
- **Play** some great games;
- **Explore** how other brother and sisters handle sticky situations sometimes faced by brothers and sisters;
- **Laugh**
- **Learn** about the services their brothers and sister receive; and
- **Have** some more fun!

The Sibshop curriculum is used throughout the United States and Canada and in Hong Kong, Japan, Mexico, New Zealand, Argentina, Ecuador, Iceland, Ireland, England, Italy, Malta, Singapore, and Turkey. -[www.siblingsupport.org](http://www.siblingsupport.org)
