

The Compass Lab

MyCIL's Transitional Skills Center (TSC) is pleased to announce the opening of The Compass Lab, **a new program for individuals with Autism Spectrum Disorder (ASD), ages 14 – 21**. The Compass Lab is a computer workshop, featuring a curriculum for young adults with ASD and other disabilities. Focusing on transitional, functional and vocational skills-building, The Compass Lab is designed for different ages and levels of functioning. This Pre-Employment Transition Services (Pre-ETS) curriculum is research and evidence-based.

January 18 – March 31, 2022
Tuesdays and Thursdays, 3:30 – 4:30 p.m.
Open to clients ages 14 – 21
with ASD and other disabilities

The Compass Lab provides three intervals of Pre-ETS curriculum. Each Interval consists of six sessions.

Pre-ETS Curriculum Topics

- Exploring Personal Care / Daily Living Skills / Transitional Skills
- Exploring your Community / Self-Advocacy / Self-Determination
- Vocational Skills / Soft Skills / Functional Skills

Technology and Daily Living Skills

The program will increase their awareness, knowledge and behavior in regards to self-advocacy and daily living skills.

We can be **independent** when we do it **together**.

The Compass Lab is made possible through a grant from the ALLOne Foundation.
